See reverse for White version PLUS key features and benefits

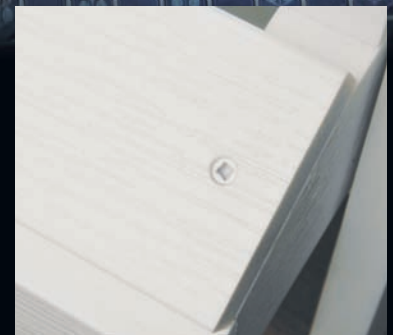

# The Highwood Luxury Adirondack Collection

Made from our next-generation synthetic wood material, the Highwood Adirondack Collection is stylish and functional. True “year round” performance makes this the only furniture set you have to buy:

- 100% USA product – made by Highwood USA, assembled by Amish craftsmen
- ULTRA low-maintenance – premium wood-look, without the upkeep
- Color matching stainless-steel hardware
- All items fold – portable and easy to store
- Chairs feature 3-position recline and curved backs for extra comfort
- Fully recyclable product

Premium textured wood-grain look with color matching stainless hardware

Also available in Toffee color – please see reverse side
